SWISS  MADE

## simply outstanding

Treat your customers, guests, employees – and yourself – to coffee at its very best. Whether it's for use at the office, in a bar, hairdressing salon, car repair shop or seminar rooms, the IMPRESSA X9 comes with features users and customers will love. The IMPRESSA X9 not only delivers a full range of standard coffee types, such as Ristretto, Espresso and Café au lait, all prepared to perfection, but also handles specialities like Cappuccino, Latte Macchiato, etc. at the push of a button. You can programme a total of more than 20 individual coffee specialities and assign ten of them to individual cups, exactly as you wish. The IMPRESSA X9 offers all this and much more at a price that represents incredibly good value for money. Two precision grinders, an adjustable brewing unit and a huge choice of customized programs guarantee you a cup of coffee exactly to your requirements, every single time.

### Simply versatile

Various coffee types and specialities can be programmed to your precise requirements using the buttons. Two precision grinding machines, each with its own bean container, allow you to use different types of coffee beans. You can even create blends to your own taste. All you need to do to make a superb Cappuccino or Latte Macchiato is push a button. In fact, you don't even have to move the cup! Hot milk at the touch of a button? No problem for the IMPRESSA X9.

### Simply user-friendly

The Display-Dialogsystem takes users through operations and programming step-by-step. 10 buttons for predefined specialities turn the IMPRESSA X9 into a star in self-service areas. The height-adjustable coffee dispenser takes cups and glasses of all sizes and can be removed for easy cleaning. Integrated rinsing, cleaning and descaling programmes make maintenance easier than ever.

### Simply beautiful

With its fabulous, clear-cut lines, the IMPRESSA X9 looks great wherever you place it. The high-quality materials are easy to clean. Programming buttons not required for everyday use are concealed behind a cover that is fully integrated into the design.

### Simply individual

With its elegant design and high-quality materials, the IMPRESSA X9 is at home in any surroundings and, thanks to a range of modular upgrades (e.g. accounting system connection, milk cooler, cup warmer, catering mobile etc.), this professional coffee machine is as flexible as you and your business.
